**Confirmation of this email is requested.**

Suzy,

EPA has completed its review of the attached FCR-06, FCR-06 Table 1, and your responses to the MW construction. Based on the information provided the FCR-06 is approved.

To ensure oversight of the MWs, please provide 24 hour notice along with a field schedule prior to the commencement of the MW installations.

Should you have any questions or concerns regarding this email, please notify me within three days of receipt of this email.

Regards,

Tanya

**Subject:** Rolling Knolls Field Change Request

Tanya, the Field Change Request for the monitoring wells at Rolling Knolls is attached. The figure is provided in pdf. I will send the CAD files for the figure separately.

When you approve this, we can complete installation of the monitoring wells and move on to the groundwater sampling. We have the driller scheduled for next week.

If you have questions, please call my cell phone (number below).
